Granite Telecommunications will host its 12th annual Granite Day in support of the Dana-Farber Cancer Institute from noon to 4 p.m. on Saturday, June 6, 2015.

The annual community fair includes food from local restaurants, rides, games, music, arts and crafts and other entertainment.

In addition, Granite will donate \$550,000 to Dana-Farber, bringing Granite's annual total to nearly \$4 million, and more than \$8 million in the past decade raised exclusively for Dana-Farber.

The fair will be held at Granite headquarters at 11 Newport Ave. Extension in North Quincy.
