## **Granite Fundraiser Benefits Youth Soccer Program**

(September 29, 2014)-Quincy, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$4,139** for Quincy Youth Soccer. The youth sports league provides a fun learning experience for children of all ages in both recreational and more competitive soccer programs.

Hundreds of local youth participate in Quincy Youth Soccer each year, which includes children in the Under 6 division up to high school age groups. The Travel Program allows children interested in more competitive leagues to try out for the team and compete against other teams from nearby towns. Quincy Youth Soccer's In-House league, which involves less rigorous competition, ensures that all children have a chance to play and have fun in recreational matches.
