**Granite Raises Funds for South Shore Stars’
Early Education and Youth Programs**

(August 4, 2015)-Quincy, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$3,728** for South Shore Stars, a nonprofit that provides early education and youth programs to enhance the development of children from economically and culturally diverse families. Just a few blocks from Granite’s headquarters, over 70 children at the Quincy Preschool Stars program on East Squantum Street will benefit from the donation, in addition to hundreds more who participate in Stars’ programs throughout the South Shore.

“The generosity of Granite employees will provide the much needed financial support to help us continue to grow and improve the services we offer to children in preschool through grade 12,” said Sheri Adlin, Executive Director at South Shore Stars.

“More than 850 children in our early education and after-school programs and clubs will benefit.”

For more information about South Shore Stars, visit www.southshorestars.org.

About Jeans Day

Through weekly Jeans Days, held every Friday, Granite employees have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite employees, chooses a qualifying nonprofit organization nominated by other employees. Granite then matches the amount raised by employees.

About Granite

Granite provides voice, data and other related communications products and services to multi-location businesses throughout the United States and Canada. Granite furnishes services to more than three-quarters of the Fortune 100 companies in the United States, and has 1.35 million phone lines under management. Granite employs over 1,300 people at the company’s headquarters in Quincy, MA and offices in Atlanta, GA, Miami, FL, New York, NY, Providence, RI, Chicago, IL and Dallas, TX.
