***Granite Supports Safe Havens***

(March 10<sup>th</sup>)- Boston, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, contributed **\$3,645.34** to Greater Boston's Safe Havens. Since 1981, the organization has been dedicated to providing support, programs, and resources for victims of domestic violence. Their mission is to collaborate with faith communities and service providers to ensure individuals feel safe while accessing the platforms they need.

Safe Havens was founded for all victims and survivors. Employee Jennifer Sanchez rallied the support for this great organization. For more information, visit <http://www.interfaithpartners.org>.

**About Granite Telecommunications**

Granite provides communications products to multi-location businesses throughout the United States and Canada. Granite's core services are local and long distance telephone services, which Granite centralizes and offers a single point of billing and contact for its customers over incumbent carrier networks. Granite offers an array of other communications products, including broadband data, network and voice services, inside wiring and alarm and security and monitoring installation and services. Granite furnishes services to more than two-thirds of the Fortune 100 companies in the United States, and 1.3 million phone lines under management. Granite employs over 1,100 people, most of whom work at its headquarters in Quincy, MA. For more information, visit [www.granitenet.com](http://www.granitenet.com).

**About Jeans Day**

Through weekly Jeans Days, held every Friday, Granite employees have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite employees, chooses a qualifying nonprofit organization nominated by other employees. Granite then matches the amount raised by employees.
