Two Years in a Row, Granite Awarded as South Florida Top Workplace

(May 22, 2017)-West Palm Beach, FL— [Granite Telecommunications, LLC](#), a provider of communications solutions to businesses, has been awarded a [Top Workplaces](#) honor by The Sun Sentinel for a second year in a row. The Top Workplaces lists are based solely on the results of an employee feedback survey administered by [WorkplaceDynamics, LLC](#), a leading research firm that specializes in organizational health and workplace improvement. Several aspects of workplace culture were measured, including Alignment, Execution, and Connection, just to name a few.

“The Top Workplaces award is not a popularity contest. And oftentimes, people assume it’s all about fancy perks and benefits.” says Doug Claffey, CEO of WorkplaceDynamics. “But to be a Top Workplace, organizations must meet our strict standards for organizational health. And who better to ask about work life than the people who live the culture every day—the employees. Time and time again, our research has proven that what’s most important to them is a strong belief in where the organization is headed, how it’s going to get there, and the feeling that everyone is in it together. Claffey adds, “Without this sense of connection, an organization doesn’t have a shot at being named a Top Workplace.”

In August 2016 at a joint press conference with Florida Governor Rick Scott, Granite announced it had expanded its existing office in West Palm Beach and opened a new office in Orlando, with plans to add over 100 jobs between the 2 locations. Governor Scott presented Granite with the Business Ambassador Award in recognition of Granite’s economic impact and creation of new jobs in the state.

“Winning this award 2 years in a row would not be possible without an outstanding group of individuals who every day make Granite a great place to work,” said Rob Hale, founder and CEO of Granite. “I couldn’t be more proud of the work they do, not just for Granite’s customers, but for the community of South Florida as well.”
