Aneurysm and AVM Awareness Walk Receives Granite Donation

(May 11, 2015)-West Palm Beach, FL—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$6,180** for the 10th Annual Aneurysm and AVM Awareness Walk. Around the country hundreds of survivors, caregivers, medical professionals, and community members gathered for local walks to raise awareness and funds for The Aneurysm and AVM Foundation's (TAAF) programs, educational outreach and research grants. Granite's Chief Financial Officer Richard Wurman participated in a walk in West Palm Beach, Florida, where Granite operates a branch office.

The Aneurysm and AVM Foundation is a non-profit organization dedicated to accelerating advances in the study of brain aneurysm and AVM treatment and prevention. Through fundraising, education and support networks, TAAF strives to better the lives of individuals who have been affected by aneurysm or other vascular malformations of the brain.

For more information about The Aneurysm and AVM Foundation, visit www.taafonline.org.

About Jeans Day

Through weekly Jeans Days, held every Friday, Granite employees have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite employees, chooses a qualifying nonprofit organization nominated by other employees. Granite then matches the amount raised by employees.

About Granite

Granite provides voice, data and other related communications products and services to multi-location businesses throughout the United States and Canada. Granite furnishes services to more than three-quarters of the Fortune 100 companies in the United States, and has 1.35 million phone lines under management. Granite employs over 1,300 people at the company's headquarters in Quincy, MA and offices in Atlanta, GA, Miami, FL, New York, NY and Providence, RI. For more information, visit www.granitenet.com.
