Granite Telecommunications held its 11th annual Granite Day on Saturday, a free event in support of the Dana-Farber Cancer Institute.

Granite has raised more than \$4 million for Dana-Farber in prior years, half of that at the “Saving by Shaving” event. This year’s event added \$525,000 to the total.

Local residents enjoyed food, spin art, face painting, airbrush tattoos, rides, crafts, a dunk tank, games, music, and other family-friendly entertainment.
