Granite Donates \$6K to Feed the Hungry This Thanksgiving

(November 20, 2015)-Quincy, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$6,099** for Interfaith Social Services and the upcoming 18th Annual Feed the Hungry Gala on December 4th. Interfaith Social Services is one of the largest emergency food programs in the Greater Boston area and all proceeds from Granite’s donation will help families on the South Shore who find themselves in need of food, clothing and comfort.

Last year in the weeks leading up to Thanksgiving Granite made a similar donation of \$4,300. The holiday season is an important time of year for the local emergency food system and Granite’s teammates are quick to recognize that need and answer the call to action.

“Quincy and the entire Greater Boston region are blessed to have a charitable business like Granite here to help us,” said Interfaith Social Services Executive Director Rick Doane. “The \$6,099 that Granite’s employees recently donated to our programs will allow us to provide over 30,000 pounds of fresh produce and other groceries to thousands of South Shore families who are struggling to make ends meet.”

About Jeans Day

Through weekly Jeans Days, held every Friday, Granite employees have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite employees, chooses a qualifying nonprofit organization nominated by other employees. Granite then matches the amount raised by employees.
