## Granite Donation Provides Assistance to Homeless Youth *Staff hosts fundraiser to stand up for children and teens in peril*

(June 12, 2017)-Quincy, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$5,230** for Crossroads Programs, Inc., a non-profit whose mission is to empower young people who are abused, abandoned, homeless or at-risk and encourage them to live healthy, productive lives. Crossroads has improved the futures of thousands of kids and families since the nonprofit was founded in 1978.

To serve a population of adolescents without families, who face the transition to young adulthood without the support and guidance typically provided by family, Crossroads' has developed a series of programs – such as shelter care, outreach services, mentoring, life skills training and family therapy – to give young men and women the chance to become successful, independent adults. With thirteen unique programs in all, the non-profit's continuum of care focuses on five primary populations; homeless and runaway youth, teen moms and babies, kids in crisis, youth aging out of foster care, and at-risk youth and families. Last year, 480 youth and infants received services from the organization.

Pictured above: Volunteers give 6 Crossroads' properties a fresh look by delivering donated furniture, painting, landscaping and other home improvement projects.

For more information about Crossroads, visit [www.crossroadsprograms.org](http://www.crossroadsprograms.org).

### About Jeans Day

Through weekly Jeans Days, held every Friday, Granite teammates have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite teammates, chooses a qualifying nonprofit organization nominated by other teammates. Granite then matches the amount raised by teammates.

### About Granite

Granite provides voice, data and other related communications products and services to multi-location businesses and governmental agencies throughout the United States and Canada. Granite furnishes services to more than two-thirds of the Fortune 100 companies in the United States, and 1.5 million voice and data lines under management. Granite employs over 1,750 people at the company's headquarters in Quincy, MA, and offices in Atlanta, GA, Chicago, IL, Dallas, TX, Miami, FL, New York, NY, Orlando, FL, and Providence, RI.
