Granite Helps Children in Need of Supplies to Start the School Year

The Flora Epps Giving Fund will donate backpacks and school supplies to elementary school students with the aid of Granite's donation

(August 28, 2015)-Quincy, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$4,780** for The Flora Epps Giving Fund (FEGF), a nonprofit organization that provides backpacks filled with school supplies to underprivileged children in addition to giving Christmas presents and clothing to families in need.

"The generosity Granite showed by donating to The Flora Epps Giving Fund is overwhelming," said Julie Epps, President of The Flora Epps Giving Fund and member of the team at Granite. "We're a small non-profit trying to do big things. With Granite's help we'll be able to supply a lot more disadvantaged and deserving students with backpacks full of the school supplies they need to start the school year."

FEGF was founded in memory of Flora Epps to celebrate the spirit of her generosity and compassion by giving to families and children in need. The Fund places a special focus on helping children during the beginning of the school year and winter holidays.
