## **Granite Supports Music Program at Quincy Public Schools**

(October 13, 2014)-Quincy, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$3,786** for the Quincy Band Boosters, a parents group devoted to supporting the student musicians of Quincy Public Schools through fundraising and advocacy. The group consisting of parents, educators and various music lovers meets once each month to discuss ways to help and encourage musicians at Quincy Public Schools.

The Quincy Band Boosters are determined to support the new and growing after-school band program, which affords young musicians the opportunity to create music together and make new friends in the process. The Boosters also aim to organize and facilitate a private lesson program so that more children are able to take their musical abilities to the next level.
