Granite Helps “Kids Cancer Buzz-Off” Raise Funds and Awareness for Pediatric Cancer Research

One Mission Foundation Honored at Boston Children’s Hospital

(June 8th, 2014)-Quincy, MA— Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised over **\$3,650** for One Mission, a foundation dedicated to raising awareness about pediatric cancer, funding for cancer research, and above all, helping children and families touched by the disease. This year the non-profit aims to raise **\$1.6M** at *The Kid’s Cancer Buzz-Off* events in Foxboro, MA and Arlington, TX, when hundreds of fundraisers will shave their heads in support of children with cancer.

The Resource Room at Boston Children’s Hospital is one place where One Mission makes their impact felt most prominently by providing annual funding for the program and its staff. In recognition of One Mission’s contribution to the care of the Boston Children’s Hospital’s cancer patients and their families, the hospital has renamed the room “The One Mission Resource Room” in tribute to the foundation. One Mission credits the support of Granite and its many other fundraisers for helping make their goals a reality.

“This is such an honor for One Mission,” said Ashley Haseotes, President and Founder of One Mission, “and especially emotional for me, since I lived at Children’s with our son for 188 straight days in 2006. The Resource Room was literally a saving grace for me, and now One Mission provides the funding to make it run.”

About Jeans Day

Through weekly Jeans Days, held every Friday, Granite employees have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite employees, chooses a qualifying nonprofit organization nominated by other employees. Granite then matches the amount raised by employees.
