***Granite Supports Youth Leaders on
Quincy High's Hockey Team***

(May 30th, 2014)-Quincy, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$3,773** for the Quincy High School Hockey Team. The youth sports program provides Quincy High School student-athletes the opportunity to play hockey in a competitive environment and achieve their goals, both on and off the ice.

Members of the Quincy High School Hockey Team are leaders within their community. Teammates are encouraged to lead by example to promote good character and integrity, and raise awareness about the dangers of drugs. Home games bring together the entire Quincy community; fans, players, and dedicated families, to cheer on the team as they compete at the Quincy Youth Arena.

Granite's donation will help Quincy High School purchase new equipment and uniforms for the team. The donation will also fund the cost of ice time for the team and support their tradition of running Captain's Practice during summer break.

This week, Granite teammate Edie Wallace identified the team for this week's "Jeans Day" fundraising. For more information on the team, visit <http://presidentshockey.com/>

About Jeans Day

Through weekly Jeans Days, held every Friday, Granite employees have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite employees, chooses a qualifying nonprofit organization nominated by other employees. Granite then matches the amount raised by employees.

About Granite

Granite provides voice, data and other related communications products and services to multi-location businesses throughout the United States and Canada. Granite furnishes services to more than two-thirds of the Fortune 100 companies in the United States, and 1.3 million phone lines under management. Granite employs over 1,150 people at the company's headquarters in Quincy, MA and offices in Atlanta, GA, Miami, FL, New York, NY and Providence, RI. For more information, visit www.granitenet.com.
