**Granite Supports Musical Enrichment**

*Local Randolph Community Band Strives to Bring Musical Arts to Community*

(June 13th, 2014)-Randolph, MA—Granite Telecommunications, LLC, a provider of communications solutions to businesses, raised **\$4,438** for the Randolph Community Band. This local organization is comprised of students and professionals from all walks of life, and is dedicated to fostering a sense of community, striving towards musical excellence, and providing a relevant and meaningful artistic service to the local community.

“As a self-sustaining non-profit organization, the Randolph Community Band depends on donations for basic operations such as maintaining a diverse music library, keeping our concerts free, and covering the stipend of our music director,” said John Janus, Randolph Community Band President. “It is through the generosity of corporations like yours that we are able to bring the musical arts to the people in the community.”

This week, Granite teammate Kathy McKinney identified the community band for this week’s “Jeans Day” fundraising. For more information about the band, visit [www.randolphcommunityband.com](http://www.randolphcommunityband.com).

**About Jeans Day**

Through weekly Jeans Days, held every Friday, Granite employees have the option to wear business casual attire or jeans with a donation of \$3 to the selected charity. Each week, the Granite Cares Committee, comprised of Granite employees, chooses a qualifying nonprofit organization nominated by other employees. Granite then matches the amount raised by employees.
