Customer may not, nor permit others to, alter, adjust, encumber, tamper, repair or attempt to repair, rearrange, change, remove, relocate, or damage any Provider Equipment or the Core Network without the prior written consent of Granite. Customer may not cause any liens to be placed on any Provider Equipment or the Core Network, and will cause any such liens to be removed within ten (10) days of Customer’s knowledge thereof. Customer shall be liable to Granite for any loss or damage to Provider Equipment or the Core Network caused by Customer or any of its end users, invitees, licensees, customers, agents or contractors. Nothing herein shall prevent Granite from using the Core Network and Provider Equipment to provide Access Services to other customers.

(b) To the extent a Service Order Document requires Granite to complete construction, extend the Core Network and/or obtain additional Underlying Rights (as defined below in this Section 1.2(b)), Customer shall use commercially reasonable efforts to assist Granite in obtaining such Underlying Rights as necessary to provide Access Services. In the event that Granite is unable to obtain or maintain any necessary Underlying Rights without incurring additional costs, unless Customer bears the costs of obtaining such Underlying Rights, Granite may cancel the applicable service order and shall incur no liability to Customer hereunder. Customer acknowledges that the provisioning of Access Services depends on the accuracy and timely receipt of information on the network assessment worksheet, other documents and/or responses to questionnaires and additional questions from Granite. Granite is not responsible for any delays in provisioning or failures of Access Services related to inaccurate information provided by Customer or changes in Customer's network that are not communicated to Granite. Granite and/or its Providers will evaluate, design, and provision Access Services based on a configuration proposed to, and accepted by, Customer. Customer acknowledges that there is no guaranty that Customer's current CPE or previously purchased or installed equipment can be used with Access Services.

1.5 MPLS Services and Ethernet Services.

(a) For any MPLS Services, including any VoIP Services over MPLS Services, (i) Customer is required to install the hub site first, with remote sites to follow and (ii) Customer will be responsible for payment on all circuits for MPLS Services on the Service Start Date of each specific circuit, whether or not all circuits/locations have been installed at the time of a circuit's Service Start Date.

(b) All orders for Access Services over Ethernet and Ethernet over Copper (EOC) (together, "Ethernet Services") are subject to complete engineering and facilities verification, and final availability of facilities. (b) Granite and/or its Providers may perform emergency maintenance of On-Net Access Services or Off-Net Access Services in their respective sole and absolute discretion, with or without prior notice to Customer, to preserve the overall integrity of the Core Network or such Provider's network. Granite will use commercially reasonable efforts to notify Customer as soon as reasonably practicable of any such emergency maintenance activity that materially and adversely impacts any Access Services.

2. **Rates and Charges.** Rates and Charges for Access Services are as set forth in the applicable Service Order Document(s) or as otherwise communicated to Customer at the time of ordering such Access Services and may vary depending on Access Service type, features, equipment and other costs required to deliver the Access Service to Customer.

3. **Service Term.** The initial minimum Service Term of all Access Services shall begin on the Service Start Date and shall be as set forth in the applicable Service Order Documents or other writing accepted by Granite, provided, notwithstanding the foregoing, all Access Services shall commit to, and shall be deemed to have committed to, an initial minimum Service Term of at least thirty-six (36) months from the Service Start Date unless otherwise expressly agreed to by the Parties in writing. Service Terms may be extended for additional monthly increments due to specific offerings or promotional terms. After the end of the initial minimum Service Term selected by Customer, and any renewal Service Terms selected by Customer, the Service Term shall automatically renew and continue on a month to month basis unless Customer provides prior written notice to Granite at least thirty (30) days prior to the end of the then current Service Term or the service is otherwise terminated in accordance with the Agreement.

4. **Early Termination Fees.**

(a) If any specific Access Services or the Agreement is disconnected or terminated after the Service Start Date but prior to the end of the initial minimum Service Term or any renewal Service Term selected by Customer, Customer shall be charged an Early Termination Fee in an amount equal to: (i) 100% of the last three (3) months average billings multiplied by the number of months (or portions thereof) remaining under the then current Service Term of the specific Access Services (including the remaining portion of any amortized CPE charges), plus (ii) any and all outstanding funds due to Granite at the time of termination, including, but not limited to, rendered service, hardware and installation fees, plus (iii) actual expenses incurred by Granite to activate or terminate Access Services, plus (iv) any installation, construction, CPE or other non-recurring charges waived or discounted by Granite and any and all credits, allowances, discounts and/or other customer incentives provided by Granite to Customer.

(b) **AccessUnlimited.** If Customer has enrolled in Granite's AccessUnlimited offering, then any specific Access Service is eligible for a change of the Access Service at the same location during the applicable Service Term, including one that requires Granite to change Providers or change the underlying technology of the Access Service, with all otherwise applicable Early Termination Fees waived. This AccessUnlimited waiver is limited only to service changes that would otherwise incur Early Termination Fees and does not prevent Granite from charging fees for other service orders, such as extending a circuit or moving its location. The original Service Term will continue to govern after the change, and Early Termination Fees will continue to apply if Customer does not complete the original Service Term. Enrollment in Granite's AccessUnlimited offering is discretionary. Customer's enrollment in Granite's AccessUnlimited offering may be revisited at any time and terminated if Customer's use of such offering is abused or there is a change in Customer's financial status.
